Houston Cool Pools

■ Initial Appointment Customer Questions

1. Breaking the Ice

- How long have you been thinking about building a pool?
- What made you decide that now is the right time to build?
- Have you ever had a pool before? If so, what did you like about it? What did you not like?

2. Vision & Lifestyle

- What do you think is going to change in your life or routine once you have a pool?
- What will your typical Saturday look like once you have a pool?
- Who do you see enjoying the pool the most?
- What will your first pool party look like? Who's coming over? What will you be doing or playing?
- So when are we planning our first cannonball?

3. Motivation & Expectations

- Why do you want a pool?
- What are the most important things you want your pool to give you—relaxation, family time, entertaining, fitness, something else?
- What kind of pool maintenance are you comfortable doing yourself?

4. Decision-Making Process

- I appreciate you giving us the opportunity to talk about your pool. How did you decide who to call out for an appointment?
- How did you decide on the companies you're meeting with?
- How are you going to choose your swimming pool builder?
- Which one of our customers referred you? (65–70% of our business comes from referrals.)
- Why did you decide to call Houston Cool Pools?

5. Budget & Knowledge

- I know you've been doing a lot of research on pools and pool builders—what have you learned so far?
- Are you familiar with how much a swimming pool costs right now?

6. Open Conversation

- You've got a pool nerd sitting in front of you. What questions do you want to ask me?
